That "Ball" something...

What if you went? Are they going to let you in at all?

That is why we needed the secret code! Don't forget it!

Mr. Light

Mr. Light

Hey.

I want to meet with the person who is in charge here...

Please come here.

Mr. Light

I can't see anything.

What do you really want to see here...

Ugh...

I told you not to look.

Ah, yes...

Mr. Light

Okay, now open your eyes.

Oh my?

The people who wanted to see me were you two?

The man who brought a girl? I don't think you are here to enjoy her right?

Ah, is it a business problem?

Well, come. I am the pub owner of this place, 'The Kiss of Hell'.

I am Howla.

So why don't you tell me why you came here? You curious?!

They're all

## Seeking proofreaders

More proofreaders join us  
we can guarantee 100% faster releases!

It's a common complaint among authors and editors: no time or budget available to hire a professional proofreader. While our team works around this, they also have a few ideas for how you can make the most of your budget and make the most of your proofreader's job to help fix that.

There are a few things you can do to make proofreading more effective and efficient. First, make sure you have a clear understanding of your budget and the scope of the project. Then, make sure you have a clear understanding of the scope of the project. Finally, make sure you have a clear understanding of the scope of the project.
